**PROCEEDINGS OF THE SPECIAL TOWN MEETING
HELD IN THE TOWN OF PLAINVILLE
MONDAY, FEBRUARY 23, 1976**

The Special Town Meeting for the Town of Plainville was held in the auditorium of the Beatrice Wood Elementary School, South Street, Plainville, Norfolk County, Massachusetts, on Monday evening, February 23, 1976 at which an official quorum was present.

The meeting was called to order by Moderator Frank Grzenda at 7:46 p.m. and the call of the meeting read by Mr. Grzenda. A moment of silent prayer was asked because of the absence of a clergyman.

Bounds of the hall were declared by the Moderator to be the chairs set up on the floor of the auditorium. Voters were checked into the hall by means of the Registrars voting list by Eugene Gucwa and Marion McCabe. The total number of voters checked at the end of the evening was 83, 30 women and 53 men.

Counters appointed were: right side of the Moderator — Morton F. Boyle and Anthony J. DiRe; to the left of the Moderator — Allen L. Breen and Neal C. Avery. Town Clerk Kathleen Sandland was appointed Ballot Box Officer in the event of a ballot vote.

ARTICLE 1. Motion by Gerard Jeannotte and seconded by Barry Cudmore, the Finance Committee recommends and I so move that the Town vote to transfer from available funds in the Treasury the sum of \$4,500.00 for Group Insurance, Blue Cross/Blue Shield to defray additional charges for the financial year ending June 30, 1976.

UNANIMOUSLY VOTED

ARTICLE 2. Motion by Edward Serwinski and seconded by Barry Cudmore, the Finance Committee recommends and I so move that the Town vote under the provisions of Chapter 44, Section 64 of the General Laws of Massachusetts, to transfer from available funds in the Treasury the sum of \$1,090.50 to pay unpaid bills incurred by the Police Department prior to June 30, 1975 as follows: New England Telephone Co. \$700.91, W. H. Riley & Son \$161.10, and B. & L. Cleansers, Inc. \$228.49.

Ed Serwinski read the following statement and requested it be made part of the record:

“Ladies and Gentlemen:

The Finance Committee feels it must make the following statement despite its favorable recommendation to transfer available funds to cover the expense specified in Article 2.

The Committee could have recommended against the article since, the fact the bills were incurred represents a violation of the General Laws, Chapter 44, Section 31, which states in part — "No Department financed by municipal revenue, or in whole, or in part by taxation of any city or town, shall incur a liability in excess of the appropriation made for the use of such department." and since the incurring of the bills represents an obvious case of financial mismanagement by the Police Chief.

We say this because: 1. A Special Town Meeting was held on April 14, 1975 and the Police Chief presented an article requesting an additional \$6500 for the police department which was voted with the understanding that these funds were sufficient to carry the department through the remainder of the fiscal year. Yet the additional bills we discuss today were incurred with no money left to pay them. 2. A Special Town Meeting was held on June 9, 1975 (just three weeks before the close of the fiscal year) which presented an additional opportunity for the Police Chief to request the funds needed to finish out the fiscal year, but there was no such article. Yet the additional bills we discuss today were incurred with no money left to pay them.

Recommending against this article would simply leave the bills unpaid subject to a suit which would probably cost the town additional funds in legal expenses, since the court judgements would assuredly be in favor of the vendors who supplied legitimate services.

Therefore, although the Finance Committee in no way condones the action of the Police chief with regard to the management errors we see no other reasonable course of action then to recommend in favor of the article."

The Police Chief made some rebuttal statements.

Mr. Lomasney requested abstension from voting because one of the outstanding bills is from his place of business.

Result of vote by ballot: 57 Yes 20 No. MOTION DEFEATED

On a motion by Robert Loew, seconded by Mr. E. Skinner it was moved to reconsider. Result of Standing vote: 73 Yes 20 No

The Moderator called for another vote by ballot.

Result of second vote by ballot: 57 Yes 21 No MOTION DEFEATED

ARTICLE 3. Motion by David Lomasney and seconded by Barry Cudmore that the Finance Committee recommends and I so move that NO ACTION be taken on this article.

Mr. Lomasney discussed the reasons for this motion. Mr. Faille made rebuttal statements.

Result of standing vote: 43 Yes 23 No

NO ACTION CARRIES

ARTICLE 4. On a motion by Robert Root and seconded by Robert Loew it was moved that the Town vote to accept the Gravestone Act, Chapter 448 of the Acts of 1973, also known as Section 73A of Chapter 272 of the General Laws.

Mr. Root was asked to explain this motion.

UNANIMOUSLY VOTED

ARTICLE 5. Motion by Robert Root and seconded by Everett Skinner. I move that the Town vote to authorize the Board of Selectmen, in the name and behalf of the Town of Plainville to remise and release to the Commonwealth of Massachusetts, through its Department of Public Works, whose Post Office address is 100 Nashua Street, Boston, Massachusetts, 02114, hereinafter referred to as the Department, all right, title, claim and demand whatsoever as said Grantor has, or ought to have in and to a certain Vehicular bridge being Bridge P-12-1 and being identified as Railroad Bridge No. 16.19, said bridge being a continuation and extension of a public way known as Bacon Street in the Town of Plainville providing Vehicular passage for the Public over the tracts of the Penn Central Railroad.

Results of standing vote: 0 No. 67 Yes

UNANIMOUSLY VOTED

ARTICLE 6. Motion by Robert Root and seconded by Everett Skinner. I move that the Town vote to authorize the Board of Selectmen, in the name and behalf of the Town of Plainville to remise and release to the Commonwealth of Massachusetts, through its Department of Public Works, whose Post Office address is 100 Nashua Street, Boston, Massachusetts, 02114, hereinafter referred to as the Department, all right, title, claim and demand whatsoever as said Grantor has, or ought to have in and to a certain Vehicular bridge being Bridge P-12-3 and being identified as Railroad Bridge No. 14.90, said bridge being a continuation and extension of public way known as Cross Street in the Town of Plainville providing Vehicular passage for the Public over the tracts of the Penn Central Railroad.

John Stone of Cross Street spoke in opposition to this article.

Results of standing vote: 46 Yes 19 No

KATHLEEN SANDLAND, Town Clerk

A complete tape of the action at this meeting is on file with the Town Clerk.

ADJOURNED SESSION ANNUAL TOWN MEETING
TOWN OF PLAINVILLE, NORFOLK COUNTY, MASS.
MAY 17, 1976

The adjourned session of the annual town meeting for the Town of Plainville, Norfolk County, Massachusetts, was called to order by Moderator Frank Grzenda at 7:41 P.M. in the auditorium of the Beatrice H. Wood School, South Street, Plainville. Reverend David Hoyt opened the meeting by giving the invocation.

The bounds of the hall were declared by the Moderator to be the seats on the floor of the auditorium and the bleachers at his right. Tellers named were; John Brandley, Stanley Myers to the Moderator's left; Donald Carter and Rosemarie Hastings to his right. Kathleen Sandland, Town Clerk, was named ballot box officer in the event of a ballot vote.

The voters were checked into the hall by means of the Registrars of Voters lists and the total number of voters present was three hundred and twenty-one; one hundred forty-eight women and one hundred seventy-three men.

Upon motion by Robert Root it was unanimously voted that Superintendent of King Philip Regional Schools, William Costa, Superintendent Edward Keaney of the Plainville Schools, George Glaiel, Administrative Assistant and Attorney John Lee, Town Counsel, be allowed to speak if necessary.

In accordance with a written notice received by the Town Clerk, Mrs. Charlene Hopkins, Munroe Drive, moved that Article 26 (Leash Law) be reconsidered by the meeting. This was seconded by Mrs. Lena Choma.

Mrs. Hopkins spoke relative to the danger to children and property by dogs running loose in the community and urged the adoption of a leash law. Mr. David Lomasney spoke about the cost to the town and sympathized with the townspeople, and outlined what the adoption of this By-Law would mean in terms of money. As this would be a By-Law addition, a two-thirds vote was necessary and a standing vote taken. Results: 132 YES 100 NO. Vote to reconsider the article not carried.

A notice to request reconsideration of Article 8 (Street Lights) was filed by David Lomasney. Upon a motion by Mr. Lomasney and seconded by Barry Cudmore that the town vote to reconsider Article 8, a standing vote was taken; results were: 162 YES 55 NO. Motion to reconsider carried.

Motion by Madeline Hastings and duly seconded that this be by standing

vote. The Moderator declared a NO vote on this motion.

Motion to install street lights on the following locations:

3 street lights on Cowell Street

1 street light on George Street

2 street lights on Colonial Way

2 street lights on Mirimichi Street

a YES vote was declared by the Moderator on this article.

Motion by Everett W. Skinner and seconded by David Lomasney that the order of business be changed and Article 19 be taken from the table at this time. As a two-thirds vote was required a standing vote was taken; Results: YES 179 NO 7.

ARTICLE 19. Motion by Everett W. Skinner and seconded by David Lomasney that the town vote to authorize the Board of Selectmen of the Town of Plainville, Norfolk County, Massachusetts, in the name and behalf of the Town of Plainville, to grant Armiroto Tool Company, Inc., or its successor in interest the perpetual right and easement to utilize for all purposes for which ways are commonly used in the Town of Plainville, Norfolk County, Massachusetts, other than parking, these two certain parcels or strips of land designated as R. O. W. No. 1 and R. O. W. No. 2 as shown on that certain plan of land entitled, "Plan of Land in Plainville, Massachusetts to be taken by the Town of Plainville, Scale 80 feet to an inch, Nov. 1972, James A. Freeman Eng. Co., 429 North Main Street, Attleboro, Massachusetts, By: Everett W. Skinner, Jr."; which plan was recorded with the Norfolk Registry of Deeds, Dedham, Massachusetts on April 27, 1973 with a taking by the Town of Plainville and filed as Plan No. 555 of 1973 Plan Book 237; said plan being also on file with the Town Clerk's office, Plainville, Norfolk County, Massachusetts, and to which reference may be had for a more particular description. Said parcel designated R. O. W. No. 1, containing approximately 20,292 square feet and the parcel designated R. O. W. No. 2 containing approximately 10,294 square feet. Consideration of the grant of the foregoing rights of way to be the sum total of ten (\$10.00) dollars.

The adoption of this article was recommended by the Finance Committee. Mr. Bruce Hastings, Planning Board member, asked for a brief description as to what it would mean to the town. Mr. Skinner explained that it would be a much better easement for the removal of the bridge on West Bacon Street. A standing vote was taken, results: YES 267 NO 0. Unanimously voted.

ARTICLE 27. Motion by Barry Cudmore and seconded by Edward Serwinski that the town vote to install a sewer main, pipe and necessary structures in conjunction with the removal of the West Bacon Street bridge and to appropriate for this purpose the sum of \$5,000 from the Revenue Sharing Account. Unanimously voted.

ARTICLE 28. Motion by Joseph G. Vieira, Chairman of the Personnel Board and duly seconded. The Personnel Board recommends and I so move that Appendix A of the Personnel By-Laws be amended to read: PUBLIC SAFETY GROUP.

		Captain	\$12,710		
Firefighter	\$9,155	\$2,742	\$10,446	\$11,150	
Dispatcher	6,749	7,219	7,687	8,150	

Upon a motion by David Lomasney and seconded by Barry Cudmore an amendment was presented that Sections A, B, and C, Clerical Group, Public Works Group and Public Safety Group (Fire Department) of the Personnel By-Laws be amended to read:

A. CLERICAL GROUP Effective July 1, 1976

(1) Clerk, Senior	C-3	35 hrs.	\$7,170	\$7,263	\$7,680	\$8,097
(2) Clerk	C-2	35	6,192	6,607	7,025	7,441
(3) Clerk, Junior	C-1		4,702	5,239	5,775	6,310

B. PUBLIC WORKS GROUP

(1) Foreman	PW 5	40	10,002	10,478	10,954	11,431
(2) Equip. Operator	PW 4		9,168	9,644	10,121	10,597
(3) Driver	PW 3		8,692	9,169	9,644	10,121
(4) Laborer, Skilled	PW 2		8,278	8,754	9,231	9,707
(5) Laborer	PW 1		7,263	7,739	8,216	8,682

C. PUBLIC SAFETY GROUP (Fire Department)

(1) Captain		12,710				
(2) Firefighter		9,155	9,742	10,446	11,150	
(3) Dispatcher		6,749	7,219	7,687	8,157	

This would entail an 8% increase across the board for each of these groups. Much discussion was held on this amendment and resulted in a third amendment being made by Robert Root and seconded by Edward Serwinski of the Board of Selectmen. As Mr. Root needed time to prepare his figures for this amendment, the Moderator declared a five minute recess at 8:45 P.M. Meeting called to order at 8:55 and Mr. Root amended the amendment on the Clerical Group, Public Works Group and Administrative Assistant as of July 1, 1976 to be the same as printed in the Warrant. All these are figured at 6% and recommended that the voters defeat Mr. Lomasney's amendment at 8%. Vote on amendment by Mr. Lomasney was taken and defeated. A standing vote was taken for the article as amended by the Personnel Board and as printed in the Warrant. Results: 215 YES 39 NO.

PROCEEDINGS OF THE SPECIAL TOWN MEETING

HELD IN THE TOWN OF PLAINVILLE

MONDAY, JUNE 21, 1976

The Special Town Meeting for the Town of Plainville was held in the Auditorium of the Beatrice Wood Elementary School, South Street, Plainville, Norfolk County, Massachusetts, on Monday evening, June 21, 1976 at 7:57 P.M.

Father John Mahoney, of St. Martha's Church was called upon by the Moderator to give the invocation.

Voters were checked into the hall by means of the Registrar's voting list by Irene Tremblay and Marion McCabe. The total number of voters checked at the end of the evening was 65, 43 men and 22 women.

The bounds of the hall for participation in the meeting and voting was declared by the Moderator to be the two sections of the chairs set up on the Auditorium floor.

Counters appointed were: right side of moderator, Rosemary Hastings and Roger Graham; to the left of Moderator Robert Peasley and Neal Avery. In the event of a ballot box vote, Kathleen Sandland, Town Clerk, was appointed Ballot Box Officer.

The motion was made by Robert Root and seconded by Edward Serwinski that Attorney John Lee, Town Counsel, be allowed to speak at this meeting should his opinion be necessary to clarify an issue. MOTION CARRIED

ARTICLE 1. Motion made by G. Jeannotte and seconded by D. Lomasney that no action be taken on this article. UNANIMOUSLY VOTED

ARTICLE 2. Motion made by J. Stone and seconded by D. Lomasney that the town vote to transfer from available funds in the treasury the sum of \$3,800.00 for the Board of Selectmen's expense account for legal fees for fiscal 1976. MOTION CARRIED

ARTICLE 3. Motion made by J. Stoddard seconded by D. Lomasney that the town vote to transfer from available funds in the treasury the sum of \$1,097.10 to pay legal bills incurred prior to June 30, 1975 to Attorney Charles R. Mason. Result of ballot vote: YES 53 NO 9. MOTION DEFEATED

Motion made by D. Lomasney, seconded by E. Serwinski to reconsider Article 3. A $\frac{2}{3}$ vote required for reconsideration, the vote was YES 54 NO 2.

The motion to reconsider carried. After some discussion, the article was again defeated by a 57 to 7 vote. MOTION DEFEATED

Motion made by Barry Cudmore, seconded by G. Jeannotte that the town vote to transfer from available funds in the treasury the sum of \$1,090.50 to pay unpaid bills incurred by the Police Department prior to June 30, 1975, as follows:

New England Telephone Company	\$700.91
W. H. Riley & Son	161.10
B & L Cleansers Inc.	228.49

(9/10 vote required) Result of vote: YES 62 and NO 3. MOTION CARRIED

ARTICLE 5. Motion made by Joseph DelSignore and seconded by D. Lomasney that the town vote to transfer from available funds in the Treasury the sum of \$4,860. to the Police Department expense account for fiscal year 1976. Discussion followed. MOTION CARRIED

ARTICLE 6. Motion made by Clarence Skinner Jr., seconded by D. Lomasney that no action be taken on Article 6. No action. MOTION CARRIED

ARTICLE 7. Motion again made by Mr. Skinner that no action be taken on this article. Second was made by D. Lomasney. No action. MOTION CARRIED

ARTICLE 8. Motion made by Attorney James Goldberg of Colonial Way, representing the King Philip Regional School, seconded by Robert Root, to see if the town will vote to raise and appropriate a sum of \$18,296.08 to supplement the Regional School District Committee Operating and Capital Costs for fiscal year 1977.

The finance committee did not recommend this article and there followed a discussion as to the chances of winning the case if it went to court. Attorney Lee, Town Counsel, went into discussion of fiscal autonomy and Bill #7134.

Attorney Goldberg pointed out that the King Philip Regional School Committee had authorized his firm to take whatever legal steps necessary in order to regain the \$18,296.08. He pointed out that we could be charged a 25% penalty (\$4500.) plus legal fees. It was brought out that neither the Finance Committee nor the Board of Selectmen had been informed of the school committee's decision to proceed with legal action.

The question was called and Article 8 was DEFEATED.

The motion to adjourn was made by D. Lomasney and upon receiving a second to the motion by G. Jeannotte, Moderator Frank Grzenda adjourned the Special Town Meeting at 9:35 P.M.

Respectfully submitted,
KATHLEEN M. SANDLAND
Town Clerk

REPORT OF THE COLLECTOR OF TAXES

To the Honorable Board of Selectmen:

Gentlemen:

The following is my report as Collector of Taxes for Fiscal year 1976.

I would like to thank the Board of Selectmen for their continued support in implementing my suggestion to withhold certain licenses if money is owed to the Town.

If one were to compare this report vs. last year's report, you would find the total collections to be approximately \$30,000.00 less for this report. When one considers the increase in valuation through new homes etc., this becomes a significant factor. I believe that immediate attention should be given to this problem, and to this end I strongly recommend that appropriate funding be provided for Tax Title Litigations.

Respectfully submitted,

NORMAND THERIAULT

REPORT OF THE COMMUNITY HEALTH AGENCY, INC.

Community Health Agency, Inc. provides professional nursing, physical therapy, and home health aide services to area residents in their homes, our offices, and in community clinics and programs.

Visiting services to the ill or disabled in their homes are for physician prescribed therapeutic care. This may include wound dressings, rehabilitation procedures, injections, irrigations, evaluation of health care needs, and teaching of patients and their families about diet, medications, and various procedures which may help patients at home. These services may be paid for by various health insurances, Medicare, Medicaid, patients, and interest from bequests made to our Agency. In addition, the Town, through the Board of Health, assists with support for those patients without insurance or unable to pay the Agency fee.

Our Nursing Staff also provides many services to residents for the Plainville Board of Health which are free to residents. These services include (1) health promotion including teaching in relation to both physical and mental health, and for maternal and child health including premature infants; (2) control of communicable diseases as recommended by the Mass. Department of Public Health, through appropriate investigation, immunization, and follow-up of cases and contacts; (3) health screening and assessment for the prevention and control of disease. These services may be provided through visits in homes or our office, or in community clinics.

As part of our services for the Board of Health in 1976, our Nursing Staff was involved in the planning, coordination, and provision of Flu Clinics as part of the National Program. We are deeply grateful to the many town volunteers who gave their time to assist in this program.

The following statistics are for services provided during 1976.

All Services in Plainville:

Nursing Staff — Home and Office Visits	166
Physical Therapist Home Visits	29
Home Health Aide visits — purchased from Home Health Services, Inc.	<u>16</u>
Total Number of Home and Office Visits	<u>211</u>
 Number of Patients Served in Home and Office	 57

Board of Health Nursing Services:

Total Number of Visits	66
Total Number of Patients	38
Number of Community Clinics in Plainville	4
Number of Community Clinics in other towns for Plainville residents	3
Number of Immunization and Tests given in Community Clinics	143
Number of Flu Clinics	3
Number of BiValent Flu Immunizations	231
Number of MonoValent Flu Immunizations	125
Number of Hours for Clinics	26½

REPORT OF THE DIRECTOR OF CIVIL DEFENSE

To the Honorable Board of Selectmen:

Gentlemen:

I hereby submit my report as Civil Defense Director for the year ending June 30, 1976.

During this past year, we were called upon a number of times to stand by for emergencies such as: high winds, rain and snow storms, which were called by the State. Fortunately, we did not receive these storms. We were prepared if these emergencies did arise.

We wish to express our sincere thanks to the Board and all other Municipal Departments for their cooperation throughout this past year.

Respectfully submitted,

DANIEL H. HUNT

Civil Defense Director

REPORT OF THE BUILDING INSPECTOR

To the Honorable Board of Selectmen:

Gentlemen:

I submit herewith my report as Building Inspector for the Town of Plainville for January 1 to June 30, 1976.

REPORT OF THE PLAINVILLE HOUSING AUTHORITY

To the Honorable Board of Selectmen

Gentlemen:

We submit herewith our report for the year 1976.

Hilltop Terrace has now been in operation for seven years. During the past year we had one vacancy occur, and it was filled from our waiting list.

During the year we purchased a new tractor, and we had a shed constructed to house this tractor along with other items.

We would like to express our appreciation to the Plainville Lions Club for their continued kindness and to Mr. Deeley of Deeley's Greenhouse for the generous gift of a poinsettia to each of our tenants at Xmas.

Finally, we would like to acknowledge the excellent cooperation we constantly receive from the Police, Fire and Highway Departments.

Respectfully submitted,

FRANCIS SIMMONS, Chairman
CLINTON BARTON, Vice Chairman
WALTER FINK, Treasurer
LeROY WILSON, Asst. Treasurer
RUBENA COLE
MELVIN DWYER, Exec. Director

REPORT OF THE HISTORICAL COMMISSION

To the Honorable Board of Selectmen:

The Historical Commission has added a new dimension to its activities this past year, that in the field of communication. A tape recorder was purchased by the Commission for use in interviewing the older members of the Community as to their memories of events, people and buildings in the late 1800's and the early 1900's. These taped interviews are duplicated and stored in separate archives, in order to insure protection and preservation in the event of disaster.

The inventories of two buildings, one the Library (Slack House) and the other one of the earliest dwellings, are being reviewed for consideration for application to the National Register of Historic Places.

It has been suggested by the State Historical Commission that the center of the town could be eligible to be declared an Historic District when the inventories of all buildings are completed. It is hoped that the owners of these buildings will call for inventory forms soon.

The inventory of older homes is on-going, and more have been added this year. A total of 32 in all have been done so far.

The Commission invites the townspeople, especially the younger generation to become Associate members, and to join us at our meetings and in our research and preservation of our town's heritage.

Respectfully submitted,

DOROTHY S. CHEVERS

Chairman

REPORT OF THE COMMUNITY FAMILY SERVICE

To the Honorable Board of Selectmen:

Gentlemen:

During the six month period, January 1, 1976 to July 1, 1976, forty-five requests for service were processed by Community Family Service volunteers. Thirty-five calls were from Plainville residents, six from Wrentham, and four from other communities. A breakdown of category shows thirty-five calls concerned emotional and mental health problems such as depression, marital crises, alcoholism, drug abuse, etc. Each caller was referred to the agency or facility which could best serve their needs for counseling or psychiatric evaluation and therapy. Five calls were requests for emergency financial help, i.e. food, housing, or unemployment, with assistance given with the cooperation of the Salvation Army, Mass. Welfare offices, Division of Employment Security, C.E.T.A., and similar agencies. Two requests for weekly transport for medical treatment were fulfilled by volunteer drivers. Three requests for home care for the ill or elderly were answered by arrangements made for the family to have the services of a homemaker aide.

Mr. Willis Scott, ACSW, professional staff member of the Leslie B. Cutler Clinic, has continued to counsel clients in his office in the Plainville Town Office building, one full day and one-half day each week. We wish to thank the Norfolk Mental Health Association and Mass. Dept. of Mental Health for continuing this local service.

We also wish to extend our thanks to our small group of volunteers for the many hours they spend in referral and telephone counseling, to staff members of Sturdy Memorial Hospital, Norwood Hospital and its detoxification unit, Medfield State Hospital, and other agencies for their continued cooperation.

REPORT OF THE BICENTENNIAL COMMITTEE

To the Honorable Board of Selectmen:

The Town of Plainville was named an official Bicentennial Community in January of 1975, one of the first to be so-named, and the official Bicentennial Flag was presented by State Senator John Parker in a ceremony held on Memorial Day, 1975.

Events held within the town during the Bicentennial Year, sponsored by the Bicentennial Committee, schools, churches and other organizations, are far too numerous to mention here.

We, the Bicentennial Committee, fee our major accomplishments were:

1. The largest parade in the town's history, held June 5, 1976.
2. Presentation of "Up With People" at the King Philip Regional High School on June 8 and 9, 1976.
3. Formation of a fife and drum corps, the "New Spirit of '76," which will be an on-going organization.
4. Documentation of the graves of 27 Revolutionary soldiers in Plainville's three cemeteries. Money voted by the committee to place a marker on each of these graves and to place a flagpole and monument in each of the cemeteries.

A complete history of the Bicentennial activities has been written by the Rev. John Bowmar and copies will be given to the Plainville Public Library and to the Plainville Historical Commission.

The minutes of all meetings will also be given to the historical commission for preservation and a collection of slides of the Bicentennial Year in Plainville prepared by William Armstrong, III, will be kept in the library for showing by any town organizations or individuals.

Respectfully submitted,

CLARENCE E. SKINNER, Chairman
Plainville Bicentennial Committee

REPORT OF THE WATER COMMISSIONERS

To the Honorable Board of Selectmen:

Gentlemen:

The following is a report of the Water Department for the period of January 1, 1976 to June 30, 1976.

Exploration and ground water tests are still being conducted by Layne, New England under the direction of Camp, Dresser & McKee, Inc. in order to find acceptable well sites to provide future water supplies for the town. This project has to be continued if suitable water sites are to be found.

All hydrants were painted this year and we extend our thanks to the Fire Department for a job well done.

Annual Report
of the
SELECTMEN
AND
BOARD OF HEALTH
of the
TOWN OF PLAINVILLE
MASSACHUSETTS

For the Year Ending June 30, 1976

January 1 to June 30, 1976

REPORT OF THE BOARD OF SELECTMEN and BOARD OF HEALTH

TO THE CITIZENS OF PLAINVILLE:

In the interest of economy and because of the close relationship which exists between the Board of Selectmen and the Board of Health, we have decided to submit a combined report for the six-month period ending June 30, 1976.

At the Town Election on April 5th, Edward Serwinski was elected to a three year term on the Boards.

For convenience, the regular meeting night was changed from Tuesday to Monday at 7:00 P.M. All meetings were open to the public and properly posted with the Town Clerk and on the bulletin board in the front foyer.

We have had occasional visitations during this period by citizens interested in the functions of town government, to ask questions of the Board and report matters or make complaints regarding situations requiring remedial action.

The usual consideration was given to the renewal and/or granting of licenses and permits for varied and sundry activities. Our Sanitary Inspector and Building Inspector have served quite acceptably in reporting as agents of our Board.

There was an extraordinary demand for opinions and special services from Town Counsel, John P. Lee, during this period, and his expertise in rendering legal assistance has proved invaluable on several occasions.

Specific complaints were received from local residents, as well as a neighboring town regarding unsanitary conditions at Washington Arms Apartments. After a complete and full investigation, this matter was finally settled to the satisfaction of all concerned.

Frequent contacts were made with our state representatives to enlist their support in legislation having any bearing on the citizens of Plainville.

Any and all complaints received were either handled satisfactorily by this Board or referred to the proper authorities for their dispatch.

Preliminary approval of a \$20,000.00 Block Grant to implement the first phase of our drainage improvement program was received from HUD. Follow up applications to continue this work are now underway.

Engineering plans were designed and final arrangements made to close the

original town dump site. This work will be completed subject to state approval.

Route 1A was turned over to the Town by the State, but our Board has withheld official acceptance until all drainage problems relating thereto have been corrected.

Widening and straightening of Messenger Street under the Federal TOPICS Program and implementation of a new traffic flow pattern at East Bacon, George and Messenger Streets has proved to be a big asset in that area.

Arrangements were finalized during this period for the removal of the West Bacon Street railroad bridge, and this work will continue until completion.

A Local Growth Policy Committee was selected to study and suggest guidelines for future growth in the Town and recommend prospective areas for specific attention.

Several petitions were received for joint pole locations from Massachusetts Electric and New England Tel & Tel, and generally received Board approval without citizen comment.

White goods pick-ups were arranged for April 10th, 17th, and 24th to enable townspeople to dispose of large and bulky items not included or allowed in the weekly trash collection.

Two hearings were held at 10:00 A.M. and 2:00 P.M. on February 12, 1976 regarding input for the Community Development Program as required by law. Very little response was noted on the part of the local boards or townspeople.

To summarize, we would like to thank all those who contributed in any way to making our job a little less burdensome and to express our pleasure for the opportunity to be of service.

Respectfully submitted,

ROBERT W. ROOT, Chairman
RAY P. FELIX, Vice Chairman
EDWARD S. SERWINSKI, Clerk

KING PHILIP REGIONAL SCHOOL DISTRICT

Wrentham, Massachusetts

REPORT OF THE CHAIRMAN

This past year at King Philip has been one marked by much progress. Now that the construction of the school addition is nearly complete, the school committee has been able to concentrate more of its efforts on other areas which have been sorely in need of attention. There has been work done on curriculum, on the tightening of discipline, on more open communication with the public, as well as the attention given to the offering of new vocational and occupational programs. These are being introduced a few at a time in order to have the least impact on the budget. Many hours have been spent, trying to keep the budget trimmed while giving our children a good education.

I want to thank the members of the committee who have given so unstintingly of their time and effort to make this past year such a productive one.

Respectfully submitted,

JEANNE WRIGHT, Chairman
King Philip Regional School
District Committee

ANNUAL REPORT OF THE SUPERINTENDENT

of the

KING PHILIP REGIONAL SCHOOL DISTRICT

It is with pleasure that I submit my fifth annual report as Superintendent of the King Philip Regional School District.

The September 1975 - June 1976 school year was without question one of the more difficult ever experienced in the regional district. The senior high school staff and an increased student population had to contend with the problems of unfinished areas and facilities. There were feelings of uneasiness and apprehension as teachers and students were shifted into rooms upon completion and out of spaces requiring additional work. It was a time in which all felt a lack of stability and security. The net result of the difficult conditions was an unavoidable loss of some order and organization. The subsequent related problems, somewhat

exaggerated, led to an undeserved damaging of the school's reputation. Actually test results, college acceptances, job placements and the lowest drop-out rate in the school's history indicated a successful year educationally under arduous conditions. Although a minority of students (or adults) will always take advantage of disorder, the majority should be commended.

September of 1976 began a new era in quality education. The major part of the facilities are functional and new programs have been implemented. A few programs remain to be added, but will be introduced slowly to reduce the financial impact. Construction discrepancy lists are being completed. The students are educationally involved and better disciplined as you will note in the following report.

New vocational programs in plumbing, electrical shop and child care began in September. The existing programs of carpentry, machine shop and automotive mechanics moved into the new shop facilities which enlarged their scope. Many new pieces of equipment have been acquired enriching the total vocational program in all areas. The home economics curriculum has been revised and students will now be able to elect majors in foods and nutrition, clothing and child care. Home economics curriculum revision will be an on-going process over the next few years with skill development established in a four year sequential program. New occupational programs for primarily academic students in cabinet-making and small engine repair were initiated. This brings the total number of occupational courses to four, servicing over two hundred high school students. The occupational offerings will be expanded to seven for the school year 1977-78. Exploratory business and office simulation were added to the office education curriculum. These two courses were of great benefit to the office education students in adding reality and helping in the decision making process of selecting their major.

In our house-building program a new ranch home was completed in Norfolk and a new single family dwelling started. The new project will allow the carpenters experience in constructing a home with facilities and features for a paraplegic. These projects and many others completed by all our shops for people in the community afford our students many excellent educational opportunities.

Four in-service training courses were conducted at the school in conjunction with Fitchburg State College. These courses proved invaluable in providing up-to-date materials, concepts and philosophies in career and vocational education. One course conducted by the Michigan Vocational Reading Project involved methods for incorporating reading into the content area of regular academic classes. This gave the impetus for a school-wide program which is currently in the developmental stages.

Project Career, a federal-state agency, selected King Philip as a test site to conduct a pilot program in career education. This project, funded by the U.S.O.E. will take three years to complete. In that period many new changes will take place to allow career education to become an integrated part of each department's

curriculum to heighten awareness of careers related to the department's courses of study. Some of the new benefits to the students and staff include a career information center in each school, a community resource directory and media aids for students to examine careers.

The vocational school was fortunate to receive over \$50,000 in surplus government equipment. In addition we have received extensive materials and supplies from area industrial and business organizations. This certainly is of great benefit to the students and taxpayers of the District.

Students' vocational clubs have been very successful with the distributive education and the office education clubs sending students to national competitions after first competing successfully in state competitions. These students are a credit to the school and the programs they represent. A new club, Vocational Industrial Club of America, is being organized and will become active in the near future. All shop (trade and industry) students are eligible to participate.

The Title I Vocational Reading Program had an extensive outside evaluation. The evaluation was concluded in June and a complete report forwarded to the state Title I Office. The office was extremely satisfied with our program and very impressed with the quality of instruction students were receiving at a minimum cost. The evaluator interviewed and tested students, parents and staff members in collecting the data for his evaluation. The Title I Parents' Advisory Committee met on several occasions with the administration, staff and evaluator to keep completely informed of the program's progress. The recommendations of the evaluator's final report were incorporated into this year's Title I Project.

The Program of Studies has been completely revised with all courses being described in terms of both content and teacher expectations. All departments are up-dating course syllabi and are stating goals and objectives in specific, measurable performance terms. The physical education, interscholastic and intramural programs have been expanded (through new facilities and equipment) and are moving in the direction of greater balance between boys and girls activities as well as the addition of co-ed activities.

Student morale has improved tremendously in the space of a few months and there is a growing pride in "ownership" for King Philip Regional School on the part of both students and faculty. School and class cuts has been significantly reduced by the implementation of an attendance policy relating unexcused class absence to earned grades. Over-all daily attendance has increased from about 86% to an average of 91%. Vandalism has been significantly reduced, though not eliminated, by a format of area supervision by departments and by the addition of a full-time security-attendance officer.

Final and Mid-Year Examinations have also been implemented by policy and are designed to up-grade the academic environment of the school. College bound students, in particular, are now receiving valuable experience in handling two hour examinations typical of the college experience. This year the high

school implemented a six-day schedule to better accommodate those courses meeting 2 or 3 times each week. This has proven successful and has operated without problems.

Basic guidance services remain but a greater emphasis is being placed upon group guidance, particularly as it relates to careers, program selection and school and college choice.

An active program of student activities exists under the direction of a faculty coordinator. In addition to social and cultural functions, students are reaching into the communities to provide worthwhile services.

The junior high school population has stabilized and will begin to drop slowly over the next few years. There seems to be a student increase at the kindergarten and first grade levels which will affect the regional district in about six years. The period of stability will allow the junior high school to continue its work of developing a curriculum for the 70's and early 80's that best meets the needs of all of the students in that vital two year span. Much work has been completed and much remains to be accomplished.

A reduced student population is also helpful in budget control. For many years a large portion of each year's budget increase has been needed to provide teachers and materials to correspond with the student population growth. A diminishing population means that increases will be smaller with those funds assigned to replacement projects and raising the quality of the curriculum rather than being greatly concerned with quantity.

We are consciously striving to improve community relations by working with the clergy and police, holding a series of administrator-parent meetings, printing a newsletter for parents and attempting to have the press accurately report school activities.

All of us are pleased to have the construction completed. We have learned that there are very few educational problems more difficult than the teaching-learning process in an overcrowded school torn apart by renovation and additional construction.

The school committee has actively supported and assisted us throughout the period. Its leadership and cooperation were active and vital. I also sincerely appreciate the efforts, fortitude and tolerance of our students, their parents, teachers, guidance counselors, nurses, custodians, office personnel, cafeteria workers and administrators in all of our schools. They emerged successfully from an unsettling experience. I admire their spirit and tenacity.

Respectfully submitted,

WILLIAM J. COSTA

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the Plainville School Committee:

It is with pleasure that I submit this third annual report to you as Superintendent of Schools.

ENROLLMENT

The enrollment figures as of October 1, 1976, indicate that we are continuing to lose a few students each year, and according to the census which has been taken annually for the last three years, that trend will continue.

PERSONNEL

There again was very minor turnover, with the only replacement being Mr. Chester Orlando in learning disabilities at the Wood School.

Mrs. Lynn Schweinshaut elected not to return to her position as learning disabilities teacher at the Jackson School, after taking a maternity leave. She was replaced by Mrs. Janet Hale, who now is in her second year in this position.

We were sorry to have lost Mrs. Schweinshaut, who served the children and the community well for several years, but feel fortunate in having acquired Mrs. Hale, as she has proven to be an able and competent teacher.

The school system received a severe shock during the Spring of 1976, due to the sudden passing of Mrs. Marie Diamond, who had been a member of our staff for fifteen years. Needless to say, the school community was deeply saddened, and in commemoration of her sincere dedication over the years, the children and staff at Jackson School planted a tree in her memory.

CURRICULUM

Mr. Cashman has commented on this area in his report, and I might add that curriculum assessments and developments are an on-going factor in any school program, and the elementary schools have continued to be involved in looking for ways in which to improve their program offerings.

During 1976 the Kindergarten curriculum has been undergoing modification and revision, and the teachers have been involved with other agencies for the purpose of examining the current program, assessing its needs, and planning for some expansion during 1977, and to a greater degree during the school year 1977-78.

Also, planned for 1977 will be a reading curriculum assessment, and there will be program expansion or modification developed in conjunction with this.

Similar to the Wood School, the Jackson School devoted much of its year to Bicentennial activities, culminating in a Bicentennial Week which included: children and staff dressing in colonial garb, the burying of a time capsule, children involved in colonial crafts and games, and an assembly program centering on a Bicentennial theme in conjunction with Memorial Day.

During 1976 there was a revision in the primary grade reporting system and this change resulted from School Committee, teacher and parent involvement in the development of this system.

We added to our playground equipment at the Jackson School with the addition of swings, slide, and an overhead climbing bar. This has added to the enjoyment and development of our primary age children.

CHAPTER 766

Services to handicapped children have continued to be a priority of our schools, and in the spring of 1976 the Plainville Schools became part of a collaborative for low-incidence handicapped children entitled BICO. The purpose of this collaborative is to combine the resources of several area school systems in order to more effectively meet the needs of these children and also to provide the services on a more cost-effective basis.

CONCLUSION

As I have already indicated, there is a constant need to "take a look" at ourselves in order to maximize the effectiveness of our programs. I sincerely feel that the willingness of the entire community, including staff, parents and children provide us with the tools for realizing our goal of insuring the best possible education for all of the children.

ACKNOWLEDGMENTS

There are many individuals and groups who have contributed greatly to our school system. I extend my gratitude and appreciation to all of them, and further I wish to thank all of you for your support and encouragement during this past year.

Respectfully submitted,

EDWARD L. KEANEY

Superintendent of Schools

ANNUAL REPORT OF THE PRINCIPAL OF THE BEATRICE H. WOOD ELEMENTARY SCHOOL

Dear Mr. Keaney:

I respectfully submit my third annual report as Principal of the Beatrice H. Wood School, and seventh annual report as Principal in the Town of Plainville.

ORGANIZATION

The Beatrice H. Wood School continues to house grades three through six and a class for children with special needs. As of this writing, the organizational pattern continues to be extremely practical and successful.

CURRICULUM HIGHLIGHTS AND INNOVATIONS

In cooperation with King Philip North Junior High School, sixth graders at the Wood School for the first time became involved in a new Junior High School orientation program, "The Buddy System". Essentially, this system permitted each sixth grader to select a seventh grade "buddy" from his own neighborhood, and on a designated day (according to a pre-arranged schedule) accompany him to all of the regular classes and activities. This procedure proved to be interesting, worthwhile and extremely relevant. The reaction of parents and students alike was overwhelmingly enthusiastic!

Due to the success of last year's program at the Ponkapoag Outdoor Education Center, we increased the number of days there for this year's class from two to three. The children benefited tremendously from this educational experience away from the classroom.

The Junior Great Books Program continues to be successful — so much so that we have doubled the number of children participating this year. Approximately 140 children in grades three through six are reading and discussing selections from some of the world's greatest literature.

In September, the Wood School Library was relocated — from a small room on the basement level to a bright, centrally located ex-classroom on the first floor. With the more favorable location and larger quarters, more books became available, and the library is staffed on a full-time basis. Thus, all the children in the Wood School are able to make good use of this resource.

Last spring, we devoted an entire week to the recognition and celebration of our nation's Bicentennial. Some of the events were a Colonial Field Day, Fife and Drum Corps Concert, Senior Citizens' Crafts and Hobby Display, Bicentennial

plays and exhibits by the individual classes, a Flag Raising Ceremony, and a major production, "Our Country 'Tis of Thee", a Bicentennial Operetta presented by the combined Glee Clubs of the school.

Also, an impressive Science Fair-Exhibit was sponsored by the Science Department in the spring.

Pupils at the Beatrice H. Wood School broadened their cultural awareness by attending Youth Concerts at Symphony Hall and "Young Ben Franklin" at Kresge Auditorium. At our own facility we enjoyed the On-The-Road Theater Company's performance of the delightful "Peppi Longstocking", and a Bicentennial Puppet Show entitled "Hard Knox" sponsored by the Massachusetts Department of Education.

In addition to these extra-curricular experiences, field trips to the New England Aquarium, Science Museum, U.S.S. Constitution, Prudential Tower and "Where's Boston?" enriched the curriculum.

We have continued to provide our "special needs" children with excellent services. Dr. Steven Rosenzweig, School Psychologist, and Mr. Barry Rachin, School Social Worker, have been most valuable in this respect.

The Art, Music and Physical Education programs have maintained their educational excellence and high interest at each grade level.

Many informative and interesting Regional Principals' meetings were held this year. These afforded me an excellent opportunity to "compare notes" on regional, as well as internal, school problems and situations, and hopefully, benefit our school system.

This has been a year of change and progress at the Wood School. Teachers have continued to indicate their concern for self-improvement, taking many specialized courses. The teachers in our community are truly committed to the best interests of "their children". We are most fortunate.

In closing, I would like to extend my thanks and appreciation to all the people who have helped to make this year such a productive and pleasant one, and in particular to Mr. Edward Keaney, who has helped me greatly this year.

Respectfully submitted,

RICHARD K. CASHMAN

Principal

REPORT OF THE ZONING BOARD OF APPEALS

To the Honorable Board of Selectmen:

We are pleased to submit the following report of activities of the Zoning Board of Appeals for the period January 1, 1976 through June 30, 1976.

There were seven (7) hearings held, including several gravel and loam permits, four (4) variances and one (1) special permit.

The Board received from applications and paid to the Town Treasurer one hundred fifty dollars (\$150.00). It spent from its established budget four hundred fifty-two dollars and sixty-six cents (\$452.66); for postage, office supplies, clerical fees and hearing advertisements. The Board also purchased a reversible chalk-board-bulletin board in June. Four members of the Board attended a seminar on the new State Zoning Legislation, Chapter 808.

Respectfully submitted,

JAMES RINALDI, Chairman
Zoning Board of Appeals

REPORT OF THE BOARD OF REGISTRARS

To the Honorable Board of Selectmen:

The year of 1976 saw little changes in officers after elections were held. Helen Cobb continued as chairman and in a surprise move Robert Thibedeau served as Secretary. Monthly meetings were set up.

Due to the Presidential Primary and Election of this year, we, as the Board, feel that the large turn out of voters enabled us to test the accuracy of our switch to computer record keeping and census. The total census — (17 yrs. on up) 4064.

Registration breakdown is:

Democrats	588
Republicans	769
Independents	1511
American	<u>1</u>
Total	2869

Please Note: we still have 1195 that have not registered.

As of June 30, 1976

What We Have Done, and Future Plans

1. Craft and art classes continue to be a success, and new ones are added such as copper embossing, chair caning, furniture refinishing instructions. All teachers are still volunteers.
2. Day bus trips, as well as overnight trips, have been enjoyed and will continue.
3. The Hot Lunch Program from the School Department (from Jan. 12th thru June 30, 1975) served 1,510. On non-school days, we have served 190 lunches.

During the summer, we had four cookouts off the premises, plus we had exchange lunches and games with the Councils in No. Attleboro and Wrentham. These will continue too.

4. Attendance at our first Christmas Party was 52. The second had 99 attend.

5. The added goal of the senior citizens is to have their own mini-bus so additional services may be extended to the senior citizens of Plainville.

Again our appreciation goes to other Councils on Aging in the area, the area cooperative merchants, Town Departments, our volunteer (R.N.) nurses for the blood pressure clinics, the Council members and staff, because all have contributed to our continued success.

We are now looking forward to making our report to you next year, as continued success will be our achievement.

Respectfully submitted,

TOWN OF PLAINVILLE DOMESTIC REFUSE COLLECTION RULES

Rubbish shall be collected once each week throughout the Town of Plainville from plastic bags or treated paper containers, weighing not more than sixty-five (65) pounds each, placed at the curb side by 7:00 A.M. on the date of collection for the designated area. The number of containers shall be limited to six (6) bags per family on any one collection.

No brush, wood, sand, dirt, sod, rocks, demolition lumber, broken concrete, asphalt, plaster, tile, brick or other construction material will be collected.

The refuse from motels, apartment houses with four units per building or more, restaurants, shops, stores, mercantile and manufacturing establishments will be considered commercial accounts and will not be picked up by the Town.

Refrigerators, stoves, tree-limbs or large items that cannot be placed in a rubbish compactor will be picked up periodically at designated times.

When a holiday, snow storm, or emergency situation falls on a collection day all subsequent collection will be one day later.

The Town collection is broken down into three sections and will be collected as follows:

SECTION ONE: TUESDAY — All streets west of South Street, not including South Street, to town line.

SECTION TWO: WEDNESDAY — South Street and all Streets easterly to Washington Street (Route 1) but not including Washington Street.

SECTION THREE: THURSDAY — Washington Street and all Streets easterly to town line.

REPORT OF THE ELECTRICAL INSPECTOR

To the Honorable Board of Selectmen

Gentlemen:

I herewith submit my report as Electrical Inspector for the Town of Plainville for the period from January 1, 1976 to June 30, 1976.

Twenty permits were issued and \$121.00 in fees turned over to the Town Treasurer.

I would like to take this opportunity to thank the Board of Selectmen, Town Departments, Massachusetts Electric Company, contractors, and the townspeople for the cooperation given to me during this period.

Respectfully submitted,

FREDERICK M. METTERS
Electrical Inspector

CONTROL OF INSECTS AND DUTCH ELM DISEASE

To the Honorable Board of Selectmen

Gentlemen:

This year the appropriation for this account was used to take down dead trees, caused by the Dutch Elm Disease, and for spraying for the tent caterpillar. Where wires were involved, Massachusetts Electric Company paid to have these trees removed below the wires, making it possible for the Town to take down more trees than our appropriation would have allowed.

Balance, January 1, 1976	\$1,000.00
Expended	<u>999.35</u>
Balance, June 30, 1976	\$.65

REPORT OF THE INSPECTOR OF MILK & DAIRIES

To the Honorable Board of Selectmen

Gentlemen:

I herewith submit my report as Inspector of Milk & Dairies for the Town of Plainville for the period of January 1, 1976 to June 30, 1976.

Licenses were issued to eighteen (18) stores and/or restaurants and to ten (10) vehicles. Monies for same were returned to the Town Treasurer.

Respectfully submitted,

CHESTER A. ROBERTS, JR.

Inspector of Milk & Dairies

REPORT OF ANIMAL INSPECTOR

To the Honorable Board of Selectmen

Gentlemen:

I hereby submit my report as Animal Inspector for the Town of Plainville for January 1, 1976 to June 30, 1976.

There were 9 reported dog bites during this period. These dogs were placed under quarantine for a ten-day period and released after no evidence of rabies was seen. Two separate reports are sent to the Department of Agriculture for each bite.

I would like to take this opportunity to thank Dog Officer Joseph Calzaretta for his help and cooperation.

Respectfully submitted,

CHESTER A. ROBERTS, JR.

Animal Inspector

REPORT OF THE INSPECTOR OF SLAUGHTERING

To the Honorable Board of Selectmen

Gentlemen:

I hereby submit my report as Inspector of Slaughtering for the Town of Plainville for the period of January 1, 1976 to June 30, 1976.

There were no reported slaughterings in the Town in this period.

Respectfully submitted,

CHESTER A. ROBERTS, JR.

Inspector of Slaughtering

REPORT OF THE TREE WARDEN

To the Honorable Board of Selectmen

Gentlemen:

The appropriation was used to take down dead trees, trimming dead wood and where wires were involved, Massachusetts Electric paid to have these trees removed below the wires, making it possible for the Town to take down more trees than our appropriation would have allowed.

This year we sprayed for Gypsy Moths with very good results.

Appropriation Balance, January 1, 1976	\$1,494.76
Expended	<u>1,443.45</u>
Balance, June 30, 1976	\$ 51.31

Respectfully submitted,

EVERETT W. SKINNER, SR.

Tree Warden

REPORT OF THE HIGHWAY DEPARTMENT

To the Honorable Board of Selectmen:

Gentlemen:

At the time of this writing, the Highway Department and the Superintendent have been very busy, so the report is going to be very short. Anyone wishing to obtain more information may contact the Highway Superintendent.

The State Department of Public Works has finished their work on Route 1A, and as of last November, the road was turned over to the Town for maintenance. It is now a town highway instead of a state highway.

The construction under the Urban System Project and money from the Federal Government and the Commonwealth of Massachusetts for the reconstruction of Messenger Street from Taunton Street to the North Attleboro Town Line, and George Street from Messenger Street to East Bacon Street, and East Bacon Street from Messenger Street to James Street have been completed. Maintenance of this road is now back in the Town of Plainville.

The old Cemetery on West Bacon Street was mowed and cleaned up during the summer months.

In conjunction with the Highway Department Program, drainage, catch basins, brush cut along the roadside, gravel roads were scraped and graveled, bituminous patching and maintenance of roads was realized.

The bid has been awarded for a new truck and body for the Highway Department. At this time the truck has not yet been received, but is expected in the very near future.

It has been a pleasure to work with and for the other Departments during the year.

In submitting this report, I again wish to thank your Board, the Employees of the Highway Department, and all other Department Heads of the Town for their cooperation during the year 1976.

Respectfully submitted,

EVERETT W. SKINNER, JR.

REPORT OF THE POLICE DEPARTMENT

Honorable Board of Selectmen
Town Offices
Plainville, Massachusetts

Gentlemen:

It is the ultimate goal of this department to provide the citizens of this community with the best service possible at the most reasonable cost.

To attain this goal, it is imperative that lines of communication be established between the department and the citizens of Plainville.

The citizen who observes suspicious or illegal activity and fails to notify this agency has suffered two losses. That citizen has allowed such activity to go unchecked and may, as a consequence, have allowed the situation to develop to the point that it may have a direct effect on himself or his family.

In today's constricting economy, by allowing such activity to remain unchecked the citizen is not receiving a full return on his tax investment.

A law enforcement agency is only reflective of the attitudes and needs of the community it serves.

To be a responsive agency we must have input from the citizens; if the department is not knowledgeable of the community's problems it is because the community has not made the Department aware of them.

The law enforcement community has been stereotyped as "*all knowing*" — this is not the case, because without citizen involvement this or any other department is not totally meeting the needs of the people.

The concept of citizen involvement in law enforcement is not a contemporary one. It dates back to the eighteenth century in England when it was determined that citizen involvement strengthened the law enforcement effort.

Many citizens feel that when they call the police department with a problem they feel foolish. A citizen should not feel apologetic calling for a service that he is financially supporting.

It is this department's sincere desire to make the Town of Plainville as safe as possible and with your help we will be able to accomplish this task.

I would like to thank all municipal department heads and their staffs for all of their efforts and assistance during this period.

Respectfully submitted,

WALTER SANDLAND
Chief of Police

REPORT OF THE CONSERVATION COMMISSION

Board of Selectmen
Plainville, Massachusetts

Gentlemen:

The report for the Plainville Conservation Commission is as follows:

During the past year the Commission, working with the youth of our community, accomplished a great deal. A Conservation Commission Bicentennial Award was established. Requirements for earning the patch and scroll included participation in two litter pick-ups and learning the conservation pledge. Some seventy-five interested citizens earned this award. In conjunction with the conservation award, the commission sponsored three litter pick-ups that cleaned many streets of our community.

The nature trail at the conservation area was completed as an Eagle Scout project of Andy Felix of Troop 132, Boy Scouts. A footbridge was built across Mill Brook. This was an Eagle Scout project of Robert Watson of Troop 132, Boy Scouts.

A rifle range has been started and will be completed with good weather.

The commission planted a blue spruce tree beside the Town Library.

Several public hearings were held on the "Inland Wetlands Act".

Respectfully submitted,

RITA WATSON
Chairperson

REPORT OF THE PLAINVILLE PUBLIC LIBRARY TRUSTEES

To the Honorable Board of Selectmen

Gentlemen:

During this six-month period from January to June 1976, our circulation was about 5,000 — this includes magazines and records.

Because of our population increase, the State asks that we be open an additional nine hours per week. As a result, our hours are now 1 - 5, Monday through Friday and 7 to 9 on Monday and Wednesday evenings.

We were sorry to lose Mrs. Kenniston after her many years of service to the library.

With the help of the Federal grant, we have purchased two air conditioners, a computer, two electric typewriters, a table, a chair, a step ladder, and a carousel projector with trays for our Bicentennial slides which the Bicentennial Committee turned over to the library as a record of special events in Plainville during the year. The projector and slides are available to interested groups upon request. We also purchased a coffee maker as the Historical Commission uses the library for their monthly meetings. Added to the outside of the library was a new sign.

At the present time we are bursting at the seams. There is no room for new books and yet to serve the Town effectively we must keep up with new publications. We hope the townspeople will keep this in mind and step in at the library to see what an excellent job our librarian Mrs. Cobb does with the able assistance of Mrs. Campbell and Mrs. Hastings.

REPORT OF THE TOWN FOREST COMMITTEE

To the Honorable Board of Selectmen

Gentlemen:

We herewith submit our report for the Town Forest Committee for the six months ended June 30, 1976.

The appropriation was used to cut brush in the year 1976.

The Committee feels a very great loss with the death of Alec Frederickson, one of its most faithful members.

Respectfully submitted,

EVERETT W. SKINNER, SR.

or do or act in any manner relative thereto.

ARTICLE 13. To see if the Town will vote to authorize the installation of sidewalks on Messenger Street from Millbrook Drive to the Jackson School, under the direction of the Highway Superintendent, and to raise and appropriate for this purpose the sum of \$7,000.00 or do or act in any manner relative thereto.

ARTICLE 14. To see if the Town will vote to install 8" cast iron water mains on George Street from School Street northerly a distance of 1,000 feet and to raise and appropriate for the aforesaid purpose a sum not to exceed \$20,000.00 to be expended by and under the direction of the Water Commissioner, and to determine how said appropriation shall be raised, whether by taxation, by appropriation of available funds, by borrowing or otherwise, and if by borrowing, to authorize the issuance and sale of bonds and notes of the Town therefor, or do or act in any manner relative thereto. (If by borrowing $\frac{2}{3}$ vote required).

ARTICLE 15. To see if the Town will vote to raise and appropriate or transfer from available funds the sum of \$2,500.00 for the Conservation Fund, to be used by the Conservation Commission for Conservation purposes, including the purchase of land, or do or act in any manner relative thereto.

ARTICLE 16. To see if the Town will vote to raise and appropriate a sum of money for the Historical Commission for the purpose of protecting the Angle Tree Stone, or do or act in any manner relative thereto. (If the Town pays $\frac{1}{2}$, we can apply for Federal funding for the balance.)

ARTICLE 17. To see if the Town will vote to raise and appropriate or transfer from unappropriated available funds in the Treasury the sum

of \$25,000.00 for a reserve fund to provide for the extra-ordinary unforeseen expenses, as authorized by Section 6, Chapter 40, General Laws or do or act in any manner relative thereto.

ARTICLE 18. To see if the Town will vote to raise and appropriate or transfer from available funds in the Treasury the sum of \$100,000.00 for the Stabilization Fund, under authority of Chapter 40, Section 5B of the General Laws, or do or act in any manner relative thereto.

ARTICLE 19. To see if the Town will vote to authorize the Board of Selectmen to accept and enter into contract for the expenditure of any funds allotted or to be allotted by the Commonwealth and/or County for the construction, reconstruction and improvement of Town roads.

ARTICLE 20. To see if the Town will vote to raise and appropriate the sum of \$10,000.00 for Town Funds to be used in conjunction with and in addition to any funds allotted by the Commonwealth and/or County for the Construction, Reconstruction and Improvements of town roads.

ARTICLE 21. To see if the Town will vote to approve Amendment #5 to the King Philip Regional School District Agreement as follows:

“That pursuant to the provisions of Chapter 1025 of the Acts of 1973, the agreement entered into between the Towns of Norfolk, Plainville and Wrentham, Massachusetts, under which the King Philip Regional School District was established and now operates be hereby further amended as follows:

(1) To amend Section IV (F) and Amendment #1 (3) so as to change from November 15 to the following January 2, the date on or before which the District Committee shall prepare a tentative budget and submitting copies thereof to the Finance Committee of the member towns. This provision is to take effect with fiscal year 1979 (tentative budget for the fiscal year to be submitted on or before January 2, 1978).

(2) To amend Section IV (F) and Section VI (B) by striking out all references to “calendar year” and inserting in place thereof the words “fiscal year”, or do or act in any manner relative thereto.

ARTICLE 22. To see if the Town will vote the following: “In order to promote responsible local government the following article shall be added to the town bylaws: No elected or appointed official shall hold office if he or she is also engaged in business which might constitute a conflict of interest. A conflict of interest shall be construed as:

1. The use or attempt to use an official position to secure unwarranted

privileges or exemptions for himself or others or the appearance of such an act.

2. Any conduct which will raise suspicion among the public that he is likely to be engaged in acts that are in violation of his trust."

or do or act in any manner relative thereto. (A Petitioned Article)

ARTICLE 23. To see if the Town will vote the following: "The selectmen and conservation commission shall appoint a committee to study the impact of commercial development of Wilkins Field, including the effect upon adjacent town wells, increased traffic and loss of a unique plain. The committee shall determine public support for the preservation of all or a portion of this open space for use as a common green and shall investigate Federal matching monies and other funding."

or do or act in any manner relative thereto. (A Petitioned Article)

ARTICLE 24. To see if the Town will vote to amend the Town By-Laws, Chapter I by deleting Section 4.6 and inserting in lieu thereof the following: No officer or member of any committee in the Town of Plainville shall, in his official capacity, make or pass upon or participate in making or passing upon, any sale, contract or agreement or the amount or terms of any payment in which the Town is interested and in which such officer has any personal financial interest, direct or indirect. Financial interest, direct or indirect shall be construed as being in the same or similar type of business in the Town of Plainville.

ARTICLE 25. To see if the Town will vote to amend the Town By-Laws, Chapter I by striking therefrom Section 11.1 in its entirety and inserting in lieu thereof the following: 11.1 The Board of Selectmen shall annually, after the annual business meeting and whenever a vacancy exists, choose and appoint some competent lawyer to act as Town Counsel. He shall be paid such compensation as the Selectmen, from time to time shall determine. The Selectmen may remove him at pleasure. His term of office shall be effective as of July 1st each year and shall continue until the appointment and acceptance of his successor.

ARTICLE 26. To see if the Town will vote to amend the Town By-Laws, Chapter I by deleting therefrom Section 12.2C and 12.2C (1). (This is a duplicate of 12.3B).

ARTICLE 27. To see if the Town will vote to raise and appropriate the sum of \$1,000. to reprint any or all of the Town By-Laws. Said sum to be spent under the direction of the By-Law Review Committee and all unexpended sums to be carried over from year to year for continuous use of said committee in maintaining a system of updated By-laws or do or act in any manner relative thereto.

ARTICLE 28. To see if the Town will vote to amend Article 16 of the 1967 Annual Town Meeting (which article created the present By-Law Review Board) by deleting the entire article and authorizing the Board of Selectmen to appoint a committee of five to be known as the By-law Review Committee to serve

permanently and/or in the first year one member for 5 years, one member for four years, one member for three years, one member for two years, one member for one year and thereafter the outgoing member for five years. The Selectmen shall fill any vacancy as they occur and may remove any member anytime upon notice.

The Committee's duties shall be:

1. To review all the By-Laws of the Town.
2. Maintain a standard indexing system within the By-Laws of the Town.
3. Make recommendations, if any, to the Townspeople through the Selectmen to consider amendments, additions and deletions thereto.
4. To update and reprint as necessary when funds are appropriated.
5. Provide copies to the Town Clerk for sale or distribution to the general public.
6. Make an annual report to the Selectmen.
7. Have printed along with the By-laws those regulations which have been adopted by elected officials of the Town except the School Committee.

ARTICLE 29. To choose any committee and hear the report of any committee and act thereon.

And you are directed to serve this Warrant by posting copies thereof in seven (7) public places, in said town, seven (7) days at least before the time of holding said meeting.

Hereof, fail not, and make due return of the Warrant with your doing thereon, to the Town Clerk at or before the time and place of said meeting as aforesaid.

Given under our hand this 28th day of February in the year of our Lord one thousand nine hundred and seventy-seven.
